1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE; DEFINITIONS.**

6       of 2009”.

2       has the meaning stated in section 103(e) of the Fed-

4       U.S.C. 1703(e)).

5           (2) OUTSTANDING NATURAL AREA.—The term

10      the Secretary of the Interior.

11          (4) STORNETTA PUBLIC LANDS.—The term

13      ignated as such on the map referred to in section  
14      3(b).

15 **SEC. 2. FINDINGS.**

16      Congress finds as follows:

17          (1) The publicly owned Stornetta Public Lands  
18      contains significant natural resources, including im-  
19      portant wildlife habitat, several riparian corridors,  
20      extensive wetlands, ponds and other water sources,  
21      cypress groves, meadows, and sand dunes that  
22      should be preserved for present and future genera-  
23      tions.

24          (2) The ocean and coastal ecosystems adjacent  
25      to the Stornetta Public Lands are internationally

1 recognized as significant centers of coastal upwelling  
2 that support the diverse, abundant and productive  
3 marine ecosystems and wildlife underlying the local  
4 economy and identity of coastal communities.

5 (3) The Stornetta Public Lands tell an impor-  
6 tant story about California's coastal prehistory and  
7 history in the context of the surrounding region and  
8 communities.

9 (4) The coastal area surrounding the Stornetta  
10 Public Lands was traditionally used by Indian peo-  
11 ple, including the Pomo Indian tribes.

12 (5) The Stornetta Public Lands are historically  
13 associated with adjacent lands managed for the en-  
14 joyment of current and future generations, including  
15 the Point Arena Lighthouse, California Coastal Na-  
16 tional Monument, Arena Rock Marine Natural Pre-  
17 serve and Manchester Beach State Park.

18 (6) The Stornetta Public Lands represent a  
19 model partnership where future management can be  
20 successfully accomplished among the Federal Gov-  
21 ernment, State of California, Mendocino County,  
22 local communities, and private groups.

23 (7) The Stornetta Public Lands Outstanding  
24 Natural Area would make a significant addition to  
25 the National Landscape Conservation System ad-

1 ministered by the Department of the Interior’s Bu-  
2 reau of Land Management.

3 (8) Statutory protection is needed for Stornetta  
4 Public Lands to ensure that it remains a part of our  
5 historic, cultural and natural heritage and a source  
6 of inspiration for the people of the United States.

4 Outstanding Natural Area in a manner that conserves,  
5 protects, and enhances the unique and nationally impor-  
6 tant historical, natural, cultural, scientific, educational,  
7 scenic, and recreational values of that area, consistent  
8 with the requirements section of 3(c).

9 (b) USES.—Subject to valid existing rights, the Sec-  
10 retary shall only allow such uses of the Outstanding Nat-

17 consistent with the requirements of section 202 of the  
18 Federal Land Policy and Management Act of 1976 (43

10          (3) cultural resources management strategies  
11          for the Outstanding Natural Area, prepared in con-  
12          sultation with appropriate departments of the State  
13          of California, with emphasis on the preservation of  
14          the resources of the Outstanding Natural Area and  
15          the interpretive, education, and long-term scientific  
16          uses of the resources, giving priority to the enforce-  
17          ment of the Archaeological Resources Protection Act  
18          of 1979 (16 U.S.C. 470aa et seq.) and the National  
19          Historic Preservation Act (16 U.S.C. 470 et seq.)  
20          within the Outstanding Natural Area.

21          (d) COOPERATIVE AGREEMENTS.—In order to better  
22          implement the management plan and to continue the suc-  
23          cessful partnerships with local communities, the California  
24          Coastal National Monument and Manchester State Park,  
25          administered by the California Department of Parks and

1 Recreation, the Secretary may enter into cooperative  
2 agreements with the appropriate Federal, State, and local  
3 agencies pursuant to section 307(b) of the Federal Land  
4 Management Policy and Management Act of 1976 (43

7 successful partnership with research organizations and  
8 agencies and to assist in the development and implementa-  
9 tion of the management plan, the Secretary may authorize  
10 within the Outstanding Natural Area appropriate research  
11 activities for the purposes identified in section 3(a) and  
12 pursuant to section 307(a) of the Federal Land Policy and  
13 Management Act of 1976 (43 U.S.C. 1737(a)).

14 (f) ACQUISITION.—State and privately held lands or  
15 interests in lands adjacent to the Outstanding Natural  
16 Area and identified as appropriate for acquisition in the  
17 management plan may be acquired by the Secretary as  
18 part of the Outstanding Natural Area only by—

19 (1) donation;

20 (2) exchange with a willing party; or

21 (3) purchase from a willing seller.

22 (g) ADDITIONS TO THE OUTSTANDING NATURAL  
23 AREA.—Any lands or interest in lands adjacent to the  
24 Outstanding Natural Area acquired by the United States  
25 after the date of the enactment of this Act shall be added

1 to and administered as part of the Outstanding Natural  
2 Area.

3 (h) OVERFLIGHTS.—Nothing in this Act or the man-  
4 agement plan shall be construed to—

5 (1) restrict or preclude overflights, including  
6 low-level overflights, military, commercial, and gen-  
7 eral aviation overflights that can be seen or heard  
8 within the Outstanding Natural Area;

9 (2) restrict or preclude the designation or cre-  
10 ation of new units of special use airspace or the es-  
11 tablishment of military flight training routes over  
12 the Outstanding Natural Area; or

13 (3) modify regulations governing low-level over-  
14 flights above the adjacent Gulf of the Farallones Na-  
15 tional Marine Sanctuary.

16 (i) LAW ENFORCEMENT ACTIVITIES.—Nothing in  
17 this Act shall be construed to preclude or otherwise affect  
18 coastal border security operations or other law enforce-  
19 ment activities by the Coast Guard or other agencies with-  
20 in the Department of Homeland Security, the Department  
21 of Justice, or any other Federal, State, and local law en-  
22 forcement agencies within the Outstanding Natural Area.

23 (j) NATIVE AMERICAN USES AND INTERESTS.—In  
24 recognition of the past use of the Outstanding Natural  
25 Area by Indians and Indian tribes for traditional cultural

1 and religious purposes, the Secretary shall ensure access  
2 to the Outstanding Natural Area by Indians and Indian  
3 tribes for such traditional cultural and religious purposes.  
4 In implementing this section, the Secretary, upon the re-  
5 quest of a federally recognized Indian tribe or Indian reli-  
6 gious community, shall temporarily close to the general  
7 public use of one or more specific portions of the Out-  
8 standing Natural Area in order to protect the privacy of  
9 traditional cultural and religious activities in such areas  
10 by the federally recognized Indian tribe or Indian religious  
11 community. Any such closure shall be made to affect the  
12 smallest practicable area for the minimum period nec-  
13 essary for such purposes. Such access shall be consistent  
14 with the purpose and intent of Public Law 95–341 (42  
15 U.S.C. 1996 et seq.; commonly referred to as the “Amer-  
16 ican Indian Religious Freedom Act”).

17 (k) NO BUFFER ZONES.—The designation of the  
18 Outstanding Natural Area is not intended to lead to the  
19 creation of protective perimeters or buffer zones around  
20 the area. The fact that activities outside the Outstanding  
21 Natural Area and not consistent with the purposes of this  
22 Act can be seen or heard within the Outstanding Natural  
23 Area shall not, of itself, preclude such activities or uses  
24 up to the boundary of the Outstanding Natural Area.
